South Korean tractors Rameder with new towbars for KIA

Rameder, Europe's leading provider of automotive transport accessories, has, of course, thousands of different towbars on offer at www.rameder.eu, thus covering almost any brand in Europe, also KIA, whose models can now be made tractors.

If you want to use a towbar on your sporty family SUV, the KIA Sportage (09/2015 models and later), **Rameder** has the removable variant (towing capacity: 2200 kg, bearing load: 90 kg) for you, starting at €324 incl. a 13-pole electric kit. And there is a rigid variant starting at €240 (set).

And for KIA's elegant limo, the latest Optima, **Rameder** now provides a removable towbar in a complete set, including a 7-pole electric kit, for €358, with the rigid version costing €258. The limo will now tow up to 1930 kg at a bearing load of 85 kg.

Incidentally, all these systems can also take a bicycle carrier to transport 3 or 4 bikes or a number of e-bikes. You will also find these at www.rameder.eu.
